01.

WHO WE ARE

WE ARE A DYNAMIC FIRM.

Firma Hukum MAGNAAR is a progressive commercial law firm providing legal services across a spectrum of practice areas. Our partners have assisted clients in matters relating to foreign investment, mergers & acquisitions, and general corporate. We serve a diverse clientele ranging from private to institutional investors, including private equities and venture capitals, lenders, shareholders, and corporate leaders.

Our experiences on various domestic and cross-border transaction structures not only benefit our clients with unique insights into the market and local practices, but also the comfort of having a business minded counsel, offering sound, innovative, and commercially suited advice and solutions. It is our mission to add and create value in everything we do.

We are committed to delivering the best quality of work and quality of services to our clients.

02.

WHAT WE DO

ADVISORY

We embrace challenges and train our lawyers to push creativity boundaries in analyzing complex legal issues. While our approach in identifying legal risks is rigorous and thorough, we balance it by reasonably considering our client's commercial interest. Our advisory service is built around our firm's commitment to offer solid and sound strategies which would instill confidence to our client's decisions.

DRAFTING

Our work products are meticulously prepared and focused on the relevant issues at stake. We carefully listen to our clients and are transparent in communicating the entire work process, from negotiation stage to legal drafting and execution.

ENFORCEMENT

On a selective basis, we represent clients in civil cases, arbitration, and alternative dispute resolution. Not only that we defend our client against claims, but also line the client's own claims and assert rights as provided by law.

GENERAL PRACTICE AREAS & INDUSTRY SECTORS

CORPORATE

Corporate Commercial

Our corporate commercial practice covers a wide spectrum of general legal corporate issues, such as direct investment, joint ventures, corporate governance, restructuring & reorganization, merger & acquisition, compliances, and business transactions.

Capital Market, Banking, and Financial Services

We are conversant with the legal issues and regulations relating to capital market, banking, and financial services. We have been involved in various bonds and notes issuances, complex financing structure, project finance, corporate and equity financing, securitization of assets, and financial restructuring and settlements.

Employment and Executive

We advise clients on employment and executive benefits issues. We prepare company regulations, apply work permits, advising on labor rights, and structuring executing compensation and benefits on behalf of our clients.

TMT (Technology, Media, Telecom)

We understand technology and challenges of its fast-paced development that creates complexities with the law. We advise various start-ups, digital based services, e-commerce, and financial technology/fintech clients to ensure seamless operation while complying with the law.

Infrastructure, Construction, and Commercial Real Estate

We assist foreign and state-owned enterprise clients in structuring commercial real estate projects in Indonesia. We have an extensive experience in negotiating and drafting joint operation agreements, structuring project development, financing, asset utilization, sales, and acquisition.

Energy, Mining, Natural Resources, and Renewables

Our firm assists clients in developing and financing hydropower plant project. We also advise clients on the entire life cycle of mining and energy projects, from early stage, exploration, developments, commercial contracts, constructions, to sales.

Commercial Litigation

Our firm handles arbitration and alternative dispute resolution matters, contract enforcement, and civil trials on a selective basis.

Private Client Services

We provide limited private client services relating to pre-nuptials and separation of asset arrangements, family law matters, and estate.

03.

OUR KEY STRENGTHS

INDEPENDENT

While we maintain good relationship with other international firms, we are an independent Indonesian law firm without any affiliation with other firms. We take this condition and use it to our advantage to ensure the integrity of our work and services provided to our clients.

EXPERIENCE

Being a local firm allows us to understand the opportunities and challenges of doing business in Indonesia. Our extensive knowledge, experience, and resources will give you an edge in structuring and planning your Indonesian businesses and deals. Our firm brings to the table a wealth of experience in complex transactions, including cross-border financing, corporate restructurings, and domestic transactions involving international parties.

FULL DEDICATION

We are committed to give our full attention, focus, and dedication in serving our clients. Our lawyers will apply the same rigorous standards in every work assigned to them and employ the necessary resources available to achieve that goal. It is our firm's commitment to work effectively and efficiently hence we do not over-resource transactions.
